Experience

Graphic Designer

September 2019 – Present

Inturium

- Taking ownership of projects and developing designs for a diverse range of international clients.
- Designing websites and mobile applications, prioritising intuitive user interfaces and optimal user experiences.
- Producing annual reports, printed banners.
- Collaborating closely with developers to ensure the final product achieves high-quality standards.
- Integrating software solutions for efficient workflow and introducing and utilising collaboration tools to enhance team workflow.
- Creating assets and user interfaces for gaming projects, sourcing sound effects and music
- Supervising 3D designers to ensure high-quality results and actively participated in recruiting new talent.

Integrated Graphic Designer

April 2017 – July 2019

Centaur Media

- Oversaw design projects that increased brand awareness and engagement for Centaur's wide range of portfolios.
- Updated brand assets and established new brand guidelines.
- Designed print and web marketing materials for awards, conferences, and events, ensuring a visually compelling and cohesive brand presence.
- Designed a variety of visual components, including emails, programmes, static and animated banners, responsive websites, event signage, and banners, to ensure coherent and successful visual communication.
- Maintaining strict adherence to brand guidelines in high-pressure situations, ensuring consistent brand representation.
- Seamlessly transitioned across design projects.
- Collaborated closely with stakeholders to ensure the final design aligned with their expectations.
- Provided guidance and mentorship to junior designers.

Digital Graphic Designer

January 2016 – January 2017

Softdome

- Conceptualised and brought to life designs from given briefs, spanning various mediums such as print, web design and UI.
- Created brand identities for corporate clients, ensuring a unified and impactful visual representation.
- Transformed ideas into successful finished projects, demonstrating versatility in design across multiple platforms.
- Managed project timelines, ensuring punctual delivery of projects in adherence to set schedules.

Editorial Graphic Designer

May 2014 - January 2016

Botasot Newspaper – Kosovarja

- Created engaging layout designs for various pages and the front cover of the daily newspaper, ensuring legibility for the substantial amount of copy.
- Took charge of the creative vision for the design of their monthly magazine, Kosovarja, distributed across Europe.
- Ensured a cohesive and compelling narrative throughout the publication,
- Developed marketing materials for web and print content, catering to both the newspaper and its advertising partners.
